# World City ↑

7044

LEGO 7044: A yellow and black speedboat with a large propeller and a pilot, racing on the water. The boat is shown in a dynamic pose, moving quickly across the water's surface. The background features a city skyline under a clear sky.

7046

LEGO 7046: A yellow and black quad bike with a driver, shown in a racing position. The driver is wearing a helmet and a racing suit. The quad bike is shown in a dynamic pose, moving quickly across the water's surface.

7042

LEGO 7042: A small yellow and black boat with a driver, shown in a racing position. The driver is wearing a helmet and a racing suit. The boat is shown in a dynamic pose, moving quickly across the water's surface.

7047

7043

7045

LEGO 7045: A large, multi-level yellow and black structure on a boat, featuring a control room and various equipment. The structure is shown in a dynamic pose, moving quickly across the water's surface. The background features a city skyline under a clear sky.
