STARTER SETS

From 7 years

LEGO® TECHNIC sets are full of many working functions. Even the smallest sets are designed to encompass lifelike technical features, enabling you to understand how things work, whether it be mechanical or electronic.

Starter sets are designed to be a little less complicated than the advanced sets but still provide a challenging introduction into the world of TECHNIC.

As its so versatile, you can build more than one model from each set. In the new Multi Module Set, you can build up to 9 individual models! WOW!!

8720
LEGO TECHNIC 9V Motor Set with motor, battery box and building elements. Can be built into many LEGO TECHNIC models. From 7 years.

8812
LEGO TECHNIC Eagle Patrol. Single seater helicopter which can be motorised with set 8720. Main rotor and tail rotor can be turned simultaneously. From 8 years.

New products available from February.

LEGO Technic

NEW

8223
LEGO TECHNIC Powerboat Columbia
 Propeller driven via gear ratio. Also builds a light helicopter. Can be motorised with set no. 8720. From 8 years.

Poster inserted

8280
LEGO TECHNIC Fire Response Unit.
 The crane arm can be raised and lowered and the fire hose extends from the drum. The model can be steered and includes two figures. Can be motorised with set 8720. From 9 years.

NEW

8286
LEGO TECHNIC Amphipower
 Two-seat amphibium with trailer and helicopter. Amphibium has rack-and-pinion steering, great suspension, winch and crane. The helicopter has a ducted fan rear motor and a camera installed. The car can be motorised with set no. 8720. The set also builds a Submarine transport. From 9 years.

NEW

Poster inserted

8230
LEGO TECHNIC Miami Police Patrol
 with rack-and-pinion steering. The set also builds a rescue vehicle. Can be motorised with set no. 8720. From 8 years.

STARTER SETS

From 7 years

NEW MULTI SET

Poster
inserted

NEW

8244

LEGO TECHNIC Transformer Set

Instructions for 9 models built up from 3 basic modules which can be snapped together. The models include a helicopter, breakdown truck, a trike, sports car and snow scooter. The modules can be interchanged easily. From 8 years.

8829

LEGO TECHNIC Sand Stormer.

Features suspension, steering, spongy tyres and an engine with two working pistons. Can be motorised with set 8720. From 9 years.

8808

LEGO TECHNIC Formula One Racer

with steering. Can be motorised with set 8720. From 7 years.

8714

LEGO TECHNIC Team.

From 7 years.

LEGO

Technic

8225
LEGO TECHNIC Super Kart with steering and a single-cylinder piston engine. Also includes building instructions for a helicopter. Can be motorised with set 8720. From 7 years.

Poster
inserted

8235
LEGO TECHNIC FL8 Front Loader with a bucket which can be raised, lowered and tipped. Also builds a Desert Racer. Can be motorised with set 8720. From 8 years.

8207
LEGO TECHNIC Hawaiian Beach Racer with spring suspension. Can be motorised with set no. 8720. From 7 years.

Poster
inserted

8816
LEGO TECHNIC Arizona ATV. Features steering, raised suspension and spongy all terrain tyres. Can be motorised with Set 8720. From 8 years.

8210
LEGO TECHNIC GTX 500 with steering and rear wheel suspension. Also builds an off-road Trike. Can be motorised with set 8720. From 7 years.

Universal sets

8062
LEGO TECHNIC Briefcase Set with instructions to build a motorbike transporter, a twin rotor helicopter, a six wheel loader with four wheel drive and three exciting smaller models. New briefcase for storage. From 9 years.

8032
LEGO TECHNIC Multi Functional Starter Set with new, spongy all terrain tyres. From 8 years.

8022
LEGO TECHNIC Multi Model Starter Set with building instructions for an aeroplane, racing car, tow truck and a monster. From 7 years.

ADVANCED SETS

From 9 years

These sets offer the greatest challenge. The latest addition to the range is the Space Shuttle with its Fibre Optic System. It can make the model glow in the dark but that's not all, as it also makes technical details more understandable - the fuel supply for instance. Other major features of this set includes a motor which activates the opening of hatches and the lifting and turning of the Canadian Arm. The detail is complete with a micro motor which unfolds the satellite wings. As you become more advanced in your building and understanding, the advanced LEGO® TECHNIC range is designed to meet you head on and give you something challenging and rewarding to build.

FIBER OPTIC

8880

LEGO TECHNIC Daytona VX4 Super Car.

Features a four speed gear box, V8 engine with working pistons, four wheel drive, suspension, adjustable wing mirrors and movable headlights. From 11 years.

8858

LEGO TECHNIC Dakota Wrecker.

Features an engine with moving pistons, suspension at both the front and the rear, all terrain tyres, steering and a hoist at the back. Can be motorised with set 8720. From 10 years.

8408

LEGO TECHNIC V2 Sport Star

with differential gear, air filled tyres, V2 engine and front wheel steering. Also builds a hefty roadster, which can be motorised with set no. 8720. From 9 years.

Flex System

8412

LEGO TECHNIC Sky Wasp. The main rotor can be tilted via the flex system on the control stick. Both the main and tail rotor can be motorised with set 8720. Includes building instructions for an aeroplane. From 10 years.

8422

LEGO TECHNIC V-Twin Super Bike

with suspension on both wheels and a chain driven, two cylinder engine. Includes building instructions for a Dragster. Can be motorised with set 8720. From 9 years.

LEGO Technic

NEW

**8425
LEGO TECHNIC
Sky Stormer**

with adjustable flaps and landing gear and simultaneously turning rotors. Can be motorised with set no. 8720. Also builds a racing boat. From 9 years.

**8460
LEGO TECHNIC Mobile Crane.**

This three axled vehicle includes four wheel steering, supporting legs and a pneumatic crane arm that can be turned, raised, lowered. From 11 years.

NEW

**8443
LEGO TECHNIC
Pneumatic Logger**

You operate the crane and grab by means of pneumatics, and you steer the 6 wheels by the flashing light on the roof. Can be motorised with set no. 8720. From 10 years.

ADVANCED SETS

From 9 years

NEW

8456 LEGO TECHNIC Multi Racer Set (with Fibre Optics)

From this set you can build a Pontoon Helicopter, a Dragster and a Swamp Boat with V4 motor. Alternatively a Giant Mosquito and a robot. You can make all the models glow in the dark by turning on the incredible 'FOS Light' pipes, and you can motorise them by adding set no. 8720. From 10 years.

8485 LEGO TECHNIC Control II

containing programmable control unit with memory, transformer and three motors. Includes the pieces and building instructions for a helicopter, dinosaur and hovercraft, plus a detailed operations manual. From 11 years

LEGO Technic

NEW 8480
LEGO TECHNIC
"FOS Light" Space Shuttle
 This magnificent model has two motors. The LEGO TECHNIC motor controls four functions: Open the hatches (1), lifting the Canadian Arm (2), turning it (3) and the FOS Light (4). The micro motor unfolds the satellite's wings (A). If that's not enough you can build a gigantic submarine instead and use the motors for other incredible functions. From 11 years.

New products available from August.

IN A WOODED HILLSIDE NEAR WINDSOR THE FUN SQUAD ARRIVE. THEIR MISSION: TO MEASURE THE FUN IN LEGOLAND® WINDSOR.

IN THE DRIVING SCHOOL THE FUN SQUAD GET DOWN TO WORK.

IN THE IMAGINATION CENTRE AN EARTHQUAKE RIPS THROUGH THE CITY AS THE KIDS TEST THEIR LATEST LEGO® CREATION...

WHILE OVER IN MY TOWN - THERE GOES THE LIGHTHOUSE KEEPER - IN THE DEATH DEFYING STUNTSHOW.

MEANWHILE ON THE PIRATE FALLS THE FUN SQUAD PURSUE THEIR ENDLESS MISSION...

How much fun can you handle?

Try racing through the trees in the Rat Trap, before plunging down the Death Drop. Pit yourself against the Bum Shaker. Pilot a boat without hitting a buoy. Cross a Circus highwire - on a bike. Join the Explorer's Club and discover the North Pole. Or fire a watercannon at the Pirates before they blow you up for finding their gold.

Tempted? Then tell your parents they can find out more on 0990 62 63 75 (calls charged at local rate) or they can book on 0990 62 63 64 to make sure you get in on the day you want, with fast track admission and special price savings.

It's the ultimate LEGO experience.

LEGOLAND Windsor is open daily from 29th March, to the end of September, plus weekends and half term in October, 10am to 6pm (8pm through July & August).

And it's just two miles from Windsor via Junction 6 off the M4, or by rail from Waterloo and Paddington.

LEGOLAND
WINDSOR

TIME CRUISER TEASER COMPETITION!

Travel in time with LEGO® TIME CRUISER and you'll never look back!

HOW TO ENTER

Our picture clearly shows that our designers have really gone crazy! They have gone Time Cruising mad and come up with a model that is VERY unique. The Time Cruiser is constructed of many different LEGO parts. These parts come from different sets that you can buy in your local toy store and which appear in this brochure. You need to study the picture carefully and then look through the brochure to identify which products the various elements come from. For example, the part number 7 is our incredible new Fibre Optic System. This element appears in set number: 8480. Once you think you have cracked the puzzle then write the set numbers which match the numbered elements very clearly on a postcard.

When you are happy with your answers, write your name and address and age on the postcard along with the set you would choose should you be a winner. Please also write the date that you entered the competition - this is very important. Every month we will choose 5 winners who will each win a LEGO set of their choice up to a retail value of £35. Don't forget to write your choice of set on your entry.

Then send the postcard off to:

We'll try to answer everything.

Rules

1. The instructions given under "HOW TO ENTER" form part of these rules.
2. The LEGO Time Cruiser Teaser Competition is free to enter for all LEGO enthusiasts who will be aged between 5 and 16 on the 31 of December 1996 and who are residents of Great Britain and the Republic of Ireland, except the employees of LEGO UK Ltd or anyone directly connected with the competition.
3. No cash alternative for any of the prizes will be given.
4. LEGO UK Ltd has the final decision and no correspondence will be entered into.
5. The prizes will be awarded to the first 5 correct entries to be drawn at the end of each month. ONLY ONE ENTRY IS ALLOWED PER CHILD. There will be 5 prizes with a retail value of £35 to be won each month. The winners can choose their own prize, but this must be written on the competition entry, just in case you are a winner.
6. The 5 monthly winners will be notified by LEGO UK Ltd within 4 weeks of each of the end of month closing dates.
7. By entering this competition entrants accept and agree to be bound by these rules.
8. PROMOTER: LEGO UK LTD, RUTHIN ROAD, WREXHAM CLWYD, LL13 7TQ. NO PURCHASE NECESSARY.
